HANDS UP FOR HAND HYGIENE POSTER COMPETITION

SPREAD THE WORD NOT THE GERMS!

Your school has been invited to join Rubbermaid Commercial Products (RCP) on our mission to promote hand hygiene to 8-12-year-olds. Why? Because recent events have taught us that hand hygiene is more important than ever. And we want to create good habits that will last a lifetime.

Our competition will call on your students to create a poster that demonstrates why washing and sanitising your hands is so important. As a reward, we'll kit-out the winning designer's school with our RCP premium hand washing and sanitising solutions. Plus, as the winning young designer's teacher you will receive a **£100 Amazon voucher** to spend on fun stuff for your class – it could be an activity, game, books or treats!

RESOURCES TO SUPPORT YOU

To help you create excitement in the classroom about the competition, we've put together the following resources:

- **Slide presentation** that you can use to explain to students more about the 'where', 'when' and 'how' of good hand hygiene.
- A **video** you can play to your students to explain our mission and get them excited about joining.
- A **design template** for students to use when designing their poster (they can also use plain paper if you prefer).
- **Tips and advice** from the experts at RCP, to help you and your school future-proof your hand hygiene solutions.

WHAT ARE WE LOOKING FOR?

We're asking students to design a poster that shows why hand hygiene is so important both now and in the future. The students are free to be creative in their poster design. We're looking for something attention-grabbing, which will raise awareness of hand hygiene and encourage others to regularly clean their hands to prevent the spread of germs.

TOP PRIZES TO BE WON!

For the winning designer's class: £100 Amazon voucher for their teacher to spend on fun stuff.
For their school: Installation of RCP soap dispensers in all washrooms and hand sanitiser dispensers throughout the school, plus a six-month supply of soap/sanitiser refills.

HOW TO ENTER

To enter your students' germ-beating creations, please send scan/photos of your posters to us at:
